

# ADITYA HALDER

ASPIRING DATA ANALYST

## CONTACT

- +91 9748912848
- halderaditya632@gmail.com
- Diamond Harbour, WB
- <http://www.linkedin.com/in/adityahalder112>

## SKILLS

- Microsoft Excel (Basic Formulas, Data Cleaning, Charts)
- Python
- Business Mathematics & Statistics (Basics)
- Data Visualization (Charts & Graphs)
- SQL

## EDUCATION

- Bachelor of Computer Applications**  
The Neotia University, WB  
Expected Graduation: 2026  
CGPA: 7.42
- Higher Secondary**  
Fatepur Sreenath Institution, West Bengal  
Year of Passing: 2023  
Percentage: 85.2
- Secondary**  
Fatepur Sreenath Institution, West Bengal  
Year of Passing: 2020  
Percentage: 73.71

## LANGUAGES

- English (Intermediate)
- Hindi (Fluent)
- Bengali (Native)

## PROFILE

Analytical and results-driven BCA student proficient in data visualization using Power BI and core technical skills in Python and SQL. Demonstrated ability to transform raw, complex data into clear, actionable insights, highlighted by the development of four Data Analysis Dashboards. Eager to apply problem-solving ability, statistical fundamentals, and continuous learning to real-world data challenges and grow as an effective Data Analyst.

## INTERNSHIP & TRAINING

### Digital Marketing Intern

Dataspace Academy | 1 Month

### Cybersecurity Intern

Webel (Government of West Bengal) | 2 Months

## PROJECT

My complete portfolio, showcasing projects in Power BI, Python, and SQL for data analysis, is available on my GitHub profile.

**GitHub Portfolio:** <https://github.com/Aditya11o>

## CERTIFICATIONS

Power BI Workshop — 1 Day, June 2024

Digital Marketing Internship — Dataspace Academy, July 2024

AWS Foundations Training (30 Hours) — Dataspace Academy & The Neotia University, Nov 2024

Operating Systems Basics — Cisco Networking Academy (The Neotia University), Feb 2025

Data Modelling Workshop (2 Days) — AI LABS, Apr 2025

GenAI Data Analytics Job Simulation — Tata & Forage, July 2025

Advanced Linux for Present & Future (6 Weeks) — Webel (Govt. of West Bengal), July 2025
